Sunnyvale Clean Water Program

Caribbean Drive Parking and Trail Access Enhancements

PUBLIC MEETING

September 19, 2017

Sunnyvale

Purpose of Meeting

- Describe the Caribbean Drive Parking and Trail Access Enhancements Project
- Present Project Schedule
- Answer any questions

Introductions

- City of Sunnyvale staff
  - Department of Public Works
  - Environmental Services Department
- Consulting staff
  - Program Management Consultant
  - Project Designer (Mark Thomas)
- For additional information, visit: www.sunnyvalecleanwater.com

Sunnyvale

Background

Presented by Allie Hood

Existing Bay Trail

Caribbean Drive Parking and Trail Access Enhancements Project

1. Current parking and trail entrance on Carl Road to be closed when new parking and access are open.
2. Carl Road to be closed for public access after new parking area is open.
3. New trail entrance location on Caribbean Drive.
4. New parking spaces and Green Streets planters on Caribbean Drive and removal of one lane of westbound traffic.

Project Timeline

Sunnyvale Clean Water Program (Program)

2013-2016

- Developed the Program Master Plan that encompasses improvement projects at the City of Sunnyvale Water Pollution Control Plant (Plant)

AUG 2016

- Master Plan and Programmatic Environmental Impact Report (PEIR) Approved by City Council

Current

- Ongoing Design and Construction Projects in the Program at the neighboring Plant
- Ongoing Design of the Caribbean Drive Parking and Trail Access Enhancements Project

Caribbean Project Details

Presented by Shawn O'Keefe

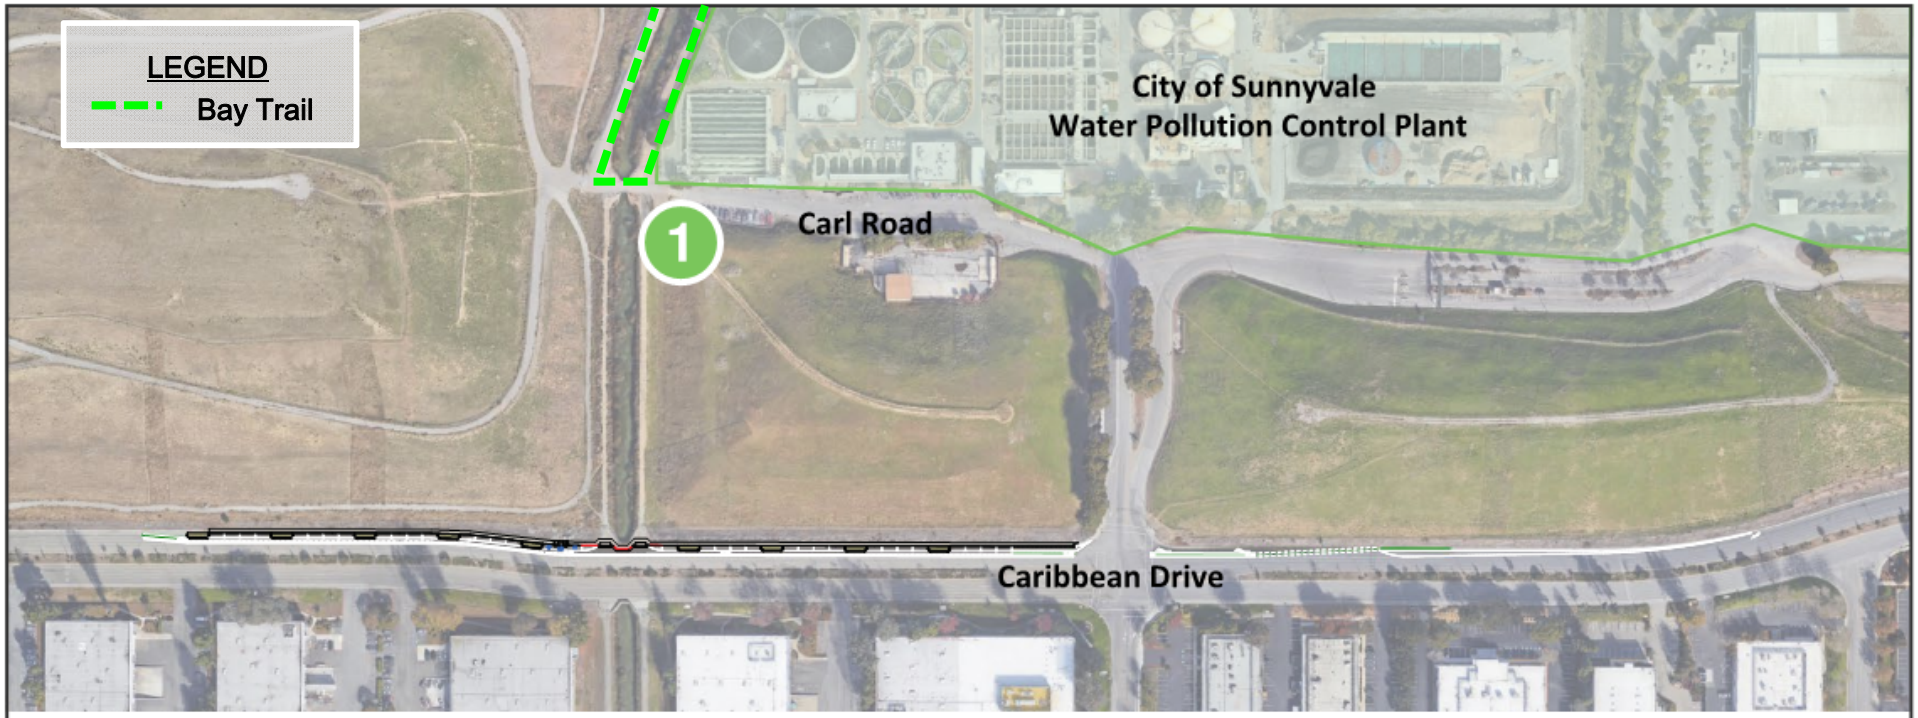

Project Goals

- Improve public access
  - Eliminate public comingling with Plant traffic and current/future construction
- Increase available parking
- Enhance westbound bike lane and add pedestrian access
- Signal timing modifications
- Funded by local money and an EPA grant

Existing Bay Trail Access from Carl Road

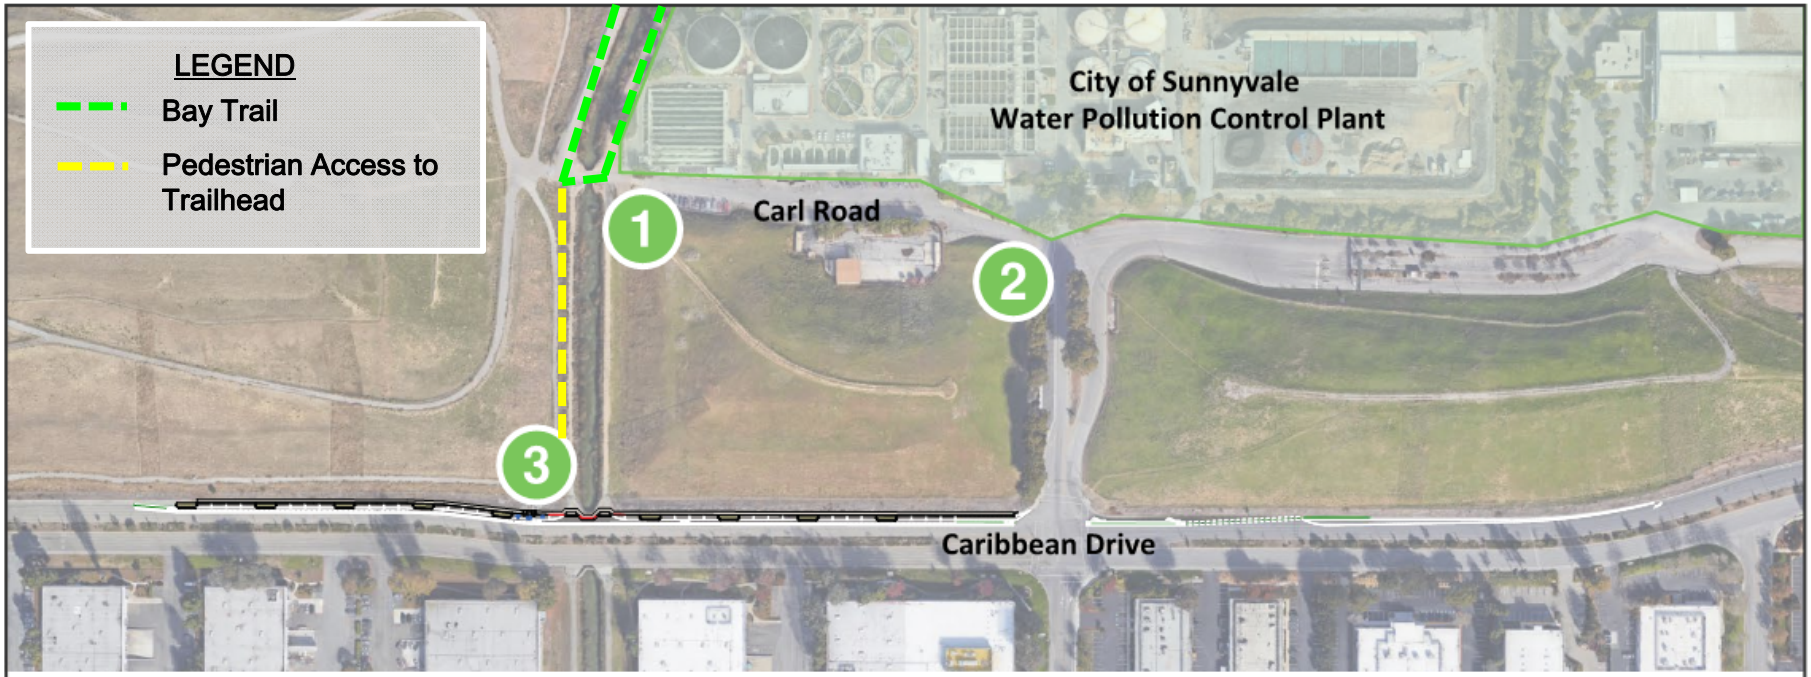

- Existing amenities include 15 parking spaces, access sign, benches, and trash receptacles.

1 Current parking and trail entrance on Carl Road to be closed when new parking and access are open.

Proposed Bay Trail Access from Caribbean

- Relocate trail access from current location on Carl Road to West Caribbean Drive.

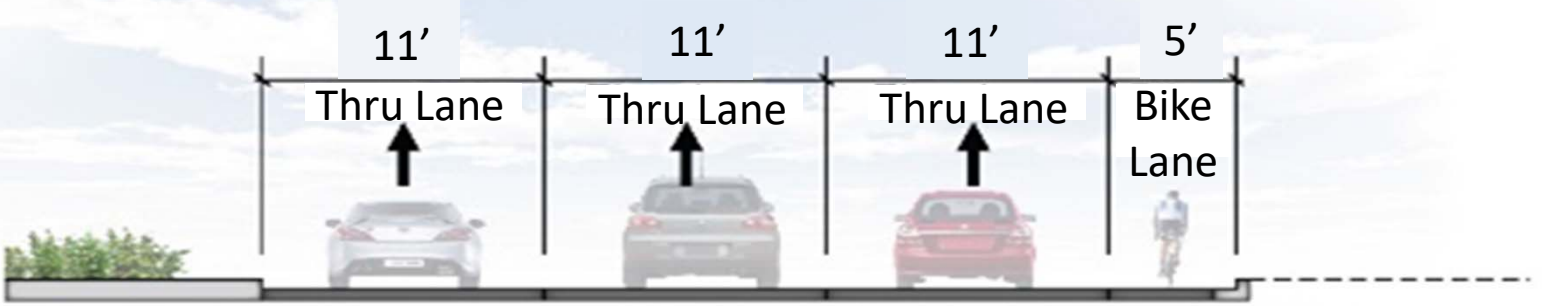

1. Current parking and trail entrance on Carl Road to be closed when new parking and access are open.
2. Carl Road to be closed for public access after new parking area is open.
3. New trail entrance location on Caribbean Drive.

Existing Condition of Caribbean Drive

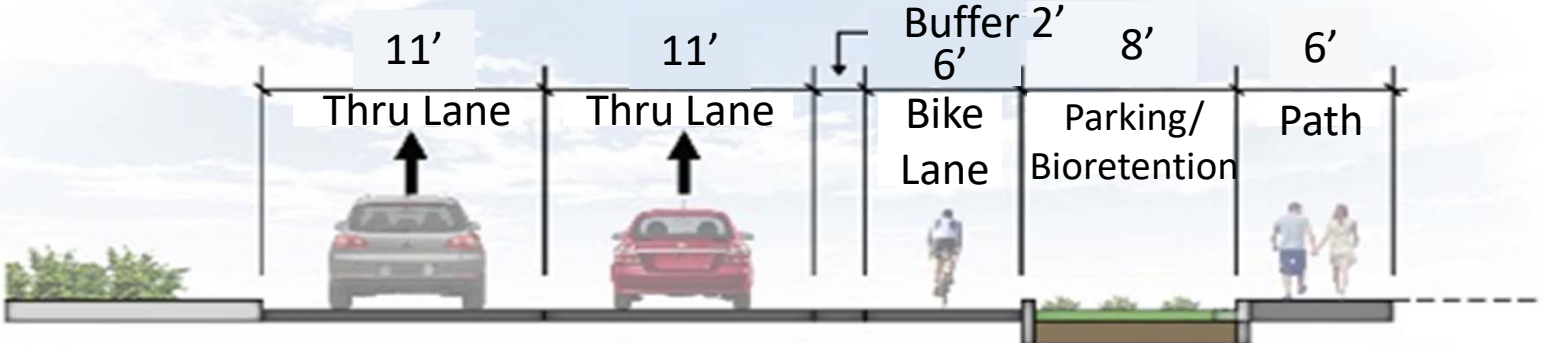

- Current proposed improvement plan is to create new parking spaces and pathway along the north side of Caribbean Drive by reclaiming the number three (outside) lane

Proposed Project Along Caribbean Drive

Existing Westbound Caribbean Drive

Proposed Westbound Caribbean Drive

Coordination with Other Projects

Presented by Shawn O'Keefe

Future Trail Access Enhancements

- Pathway from W. Caribbean Dr. to the Bay Trail will be enhanced as part of SCVWD's East/West Channel project.
- Improvements:
  - Enlargement of levees
  - Construction of floodwalls
  - Pedestrian pathway
- Pedestrian crossing at Caribbean Dr.
